Available in four classes, these very popular **trailable yachts** offer safety, reliability and comfort. Cleverly designed to provide both exciting race performance for the fanatic, and excellent cruising features for the family, there is an **Ultimate Class Yacht...** (at a very affordable price)... to suit you!

Easily towed by the family car – easily launched and retrieved – the **Ultimate** offers you the chance to indulge your passion for sailing, while at the same time introducing the family to a whole new lifestyle! Isn't it time for a 'sea change'?

The sailing qualities of **Ultimate Class Yachts** are quite impressive – stability, seaworthiness, and ease of handling make owning an Ultimate a real pleasure. The transition from dinghy to an Ultimate is 'a piece of cake'. The simple rig of all four classes provides effortless sailing and the comfortable feeling of being right at home. If you're a beginner or a 'new chum' to sailing a **trailable**, then an **Ultimate Class Yacht** is the best place to start!

You will be pleasantly surprised with the roominess of the yachts. Comfortable accommodation and cooking facilities for weekend or extended cruising are outstanding design features of **Ultimate Class Yachts**.

The **Ultimate Yacht Association Inc.**, was established in 1974 and remains one of the foremost sailing associations in Australia, with a comprehensive calendar of cruising, racing and social events prepared each year. Beginning with expert advice on buying and maintaining your Ultimate, the Association follows through with seamanship training; class racing with a "crew pool" to assist the beginner; "fact sheets" on cruising venues; interstate representatives for advice on cruising venues in NSW, Qld and SA; and much more.
